To Whom it May Concern,

Miss Mali from ISM Ballina, has attended our service this year for incursions throughout the different age groups, including 0-2years, 2-3years, 3-4years and our 4+ years groups. Our whole service is excited for these sessions. Parents also comment they are thrilled Mali comes for incursions.

From the moment Mali enters the space, she brings her fun, calming nature. She creates an inclusive learning space. Her experience shows as she respects everyone and demonstrates fairness. Educators often comment Mali should be on Play School or be the next Wiggle. Her calm nature mirrors Miss Honey from Matilda.

Children are engaged in these sessions and remembering the concepts while singing these songs throughout the week.

We would highly recommend ISM Ballina.

Kind Regards,

Seeds Ballina
